| Suddenly the day turns into night                       | Clouds are stalkin' islands in the sun                    |
| Far away from the city                                  | I wish I could buy one, out of season                     |
