

Fill in the gaps

The Sweet Escape by Gwen Stefani & Akon

(Woo-who, yee-who)	Want to take you with me
(Woo-who, yee-who)	If I could escape (escape)
(Woo-who, yee-who)	And re-create a place as my own world (own world)
(Woo-who, yee-who)	And I could be your favorite girl
If I (1) escape	Forever, perfectly together
I would, but first of all let me say	Tell me boy, now wouldn't that be sweet (sweet)?
I must apologize for acting, stinking	If I could be sweet (be sweet)
Treating you (2) way	I (16) I've been a real bad girl
Cause I've been (3) like sour milk	I didn't mean for you to get hurt
(4) on the floor	Forever, we can make it better
It's (5) (6) you didn't shut the	Tell me boy, now wouldn't (17) be sweet?
refridgerator	Sweet escape, sweet escape
Maybe that's the (7) I've been acting so cold	(Woo-who, yee-who)
If I (8) (9) (escape)	(Woo-who, yee-who)
And re-create a place as my own world (own world)	If I could escape
And I could be (10) favorite girl	(Woo-who, yee-who)
Forever, perfectly together	If I could escape
Tell me boy, now wouldn't that be sweet (sweet)?	(Woo-who, yee-who)
If I could be sweet (be sweet)	Cause I've been acting like sour milk fell on the floor
I know I've been a real bad girl	It's your fault you didn't shut the refridgerator
I didn't (11) for you to get hurt	Maybe that's the (18) I've been
Forever, we can make it better	(19) so cold
Tell me boy, now wouldn't that be sweet?	If I (20) escape (escape)
Sweet escape (sweet escape)	And re-create a (21) in my own world (own
(Woo-who, yee-who)	world)
I (12) get away, get away	And I could be your favorite girl
To our sweet escape, sweet escape	Forever, perfectly together
(Woo-who, yee-who)	Tell me boy, now wouldn't (22) be
I wanna get away, get away	(23) (sweet)?
Yeah (Woo-who, yee-who)	If I could be (24) (be sweet)
You let me down	I know I've been a real bad girl
I'm at my lowest boiling point	I didn't mean for you to get hurt
Come help me out	Forever, we can make it better
I need to get me out of this joint	Tell me boy, now wouldn't that be sweet?
Come on, let's bounce	Sweet escape, sweet escape
Counting on you to (13) me around	(Woo-who, yee-who)
Instead of clowning around	I (25) get away, get away
For some common ground	To our sweet escape, sweet escape
So baby, times getting a little crazy	(Woo-who, yee-who)
I've been (14) a little lazy	I wanna get away, get away
Waiting for you to (15) save me	Yeah
I can see that you're angry	(Woo-who, yee-who)
By the way the you treat me	
Hopefully you don't leave me
