Factory Of Faith by Red Hot Chili Peppers

All my life I was (1)	for the fence	She was good at getting there
I was looking for the triple		But not as (6) for round-trip
Never playing good defence		All this time, I was searching for a dream
Gunnin' for the glitter		I was living in and out
Every hot and heavy hitter		Of every other sex machine, I said
She was never really there		Factually I, I'm just a piece of it
So I couldn't really get her, I said		Factually I, the very least of it
Factually I, I'm just a piece of it		Factually I, it's just a medicine
Factually I, the very least of it		Makes you wanna cry, why don't they let us in?
Piece of work, I was really quite a jerk		Be my wife, I think (7) right that we should mate
Keeping (2) is such a bore		Tell your friends, I gotta factory of faith
A busy mind can go bazerk (oh)		Late last night, I had a dream that it was great
Feast on this, I was fishing for a hook		Tell your friends, I gotta factory of faith
So I took a little trip		I got a factory of
And I opened up the book, I said		Be my wife, I think your right that we should mate
Factually I, I'm just a piece of it		Tell (8) friends, I gotta factory of faith
Factually I, the (3) least of it		Late (9) night, I had a dream that it was great
Factually I, its just a medicine		Tell your friends, I gotta factory of faith
