

Fill in the gaps

Factory Of Faith by Red Hot Chili Peppers

All my life I was swinging for the fence	She was good at getting there
I was looking for the triple	But not as (14) for round-trip
Never playing (1) defence	All this time, I was searching for a dream
Gunnin' for the glitter	I was living in and out
Every hot and heavy hitter	Of every other sex machine, I said
She was never really there	Factually I, I'm just a piece of it
So I couldn't (2) get her, I said	Factually I, the very (15) of it
Factually I, I'm just a piece of it	Factually I, it's just a medicine
Factually I, the (3) least of it	Makes you (16) cry, why don't they let us in?
Piece of work, I was really quite a jerk	Be my wife, I think your right that we should mate
Keeping score is such a bore	Tell your friends, I gotta factory of faith
A (4) mind can go bazerk (oh)	Late (17) night, I had a dream (18) it
Feast on this, I was fishing for a hook	was great
So I took a (5) trip	Tell (19) friends, I (20)
And I opened up the book, I said	(21) of faith
Factually I, I'm just a (6) of it	I got a (22) of
Factually I, the very least of it	Be my wife, I think your (23) (24) we
Factually I, its (7) a medicine	(25) mate
Make you wanna cry, why don't they let us in?	Tell your friends, I gotta (26) of faith
Be my wife, I think (8) right that we should mate	Late last night, I had a dream (27) it was great
Tell your friends, I (9) of	Tell your friends, I (28) factory of faith
faith	I got a (29) of
Late last night, I had a dream (11) it was great	Faith
Tell your friends, I (12) of	And love
faith	And (luh-oooh-uh-ooh-uh-ooh-ove)
I got a factory of	
Crack your whip, she's confessing from the hip
