Factory Of Faith by Red Hot Chili Peppers

All my life I was swinging for the fence	She was (5) at (6) there
I was looking for the triple	But not as much for round-trip

She was never really there	Factually I, I'm just a piece of it
So I couldn't really get her, I said	Factually I, the very least of it
Factually I, I'm just a piece of it	Factually I, it's just a medicine
Factually I, the very least of it	Makes you wanna cry, why don't they let us in?
Piece of work, I was really (1) a jerk	Be my wife, I think your right that we should mate
Keeping score is such a bore	Tell your friends, I gotta factory of faith
A busy mind can go bazerk (oh)	Late last night, I had a (8) that it was great
