

## Fill in the gaps

	Gonna sneak in through her window
Hanging out (1) the club	Everything's better (12) she's around
On the weekend	I can't wait till her (13) go out of town
Acting stupid, getting drunk	I fell in love (14) the (15) at the rock
Nith my best friends	show
couldn't wait for the summer	Black and (16) (17) of her on
And the Warped Tour	my wall
remember it's the first time	I waited for her call
That I saw her there	She always (18) me waiting
She's getting kicked out of school	And if I ever got another chance
Cause she's failing	I'd (19) ask her to dance
'm kinda nervous	Because she kept me waiting
Cause I think all her friends (2) me	I fell in (20) with the girl at the rock show
She's the one, she'll (3) be there	She said "what?"
She (4) my hand and I (5) it I swear	And I told her that I didn't know
Because I fell in love	She's so cool
Nith the girl at the rock show	Gonna sneak in through her window
She said "what?"	Everything's better when she's around
And I told her that I didn't know	I can't (21) till her parents go out of town
She's so cool	I fell in love with the girl at the rock show
Gonna (6) in through her window	With the (22) at the (23) show
Everything's better (7) she's around	With the (24) at the rock show
can't wait till her parents go out of town	(I'll never forget tonight)
(8) in love with the girl at the rock show	With the girl at the rock show
When we said	(I'll never forget tonight)
Ve were gonna move to Vegas	With the (25) at the rock show
remember the look her mother (9) us	(I'll never (26) tonight)
7 without a purpose or direction	With the (27) at the (28) show
Ve don't owe anyone a *** explatation	(I'll never forget tonight)
fell in love with the girl at the rock show	With the (29) at the rock show
She (10) "what?"	(I'll never forget tonight)
And I (11) her that I didn't know	With the girl at the rock show
She's so cool	(I'll never forget tonight)
