

Fill in the gaps

	Gonna sneak in (6)	her window
Hanging out behind the club	Everything's better when she's around	
On the weekend	I can't wait till her parents go out of town	
Acting stupid, getting drunk	I fell in love with the girl at the rock show	
With my best friends	Black and white picture of her on my wall	
I couldn't wait for the summer	I waited for her call	
And the Warped Tour	She always kept me waiting	
I remember it's the (1) time	And if I ever got another chance	
That I saw her there	I'd still ask her to dance	
She's getting kicked out of school	Because she kept me waiting	
Cause she's failing	I fell in love with the girl at the rock show	
I'm kinda nervous	She said "what?"	
Cause I think all her friends hate me	And I told her that I didn't know	
She's the one, she'll always be there	She's so cool	
She took my hand and I made it I swear	Gonna sneak in through her window	
Because I fell in love	Everything's better when she's around	
With the girl at the rock show	I can't wait till her parents go out of town	
She (2) "what?"	I fell in love with the girl at the rock show	
And I told her that I didn't know	With the girl at the (7)	show
She's so cool	With the girl at the rock show	
Gonna sneak in through her window	(I'll never forget tonight)	
Everything's better when she's around	With the girl at the (8)	show
I can't (3) till her parents go out of town	(I'll never forget tonight)	
I fell in love with the girl at the rock show	With the girl at the (9)	show
When we said	(I'll never (10) tor	night)
We (4) gonna move to Vegas	With the girl at the rock show	
I remember the (5) her mother gave us	(I'll never forget tonight)	
17 without a purpose or direction	With the girl at the rock show	
We don't owe anyone a *** explatation	(I'll never forget tonight)	
I fell in love with the girl at the rock show	With the girl at the rock show	
She said "what?"	(I'll never forget tonight)	
And I told her that I didn't know		
She's so cool
