

Fill in the gaps

I think that you're mad	So you (6) come away (7) me
You spend a long time in your head	You should (8) away with me
I knew that you're mad	You should have some faith in me
You spend a long time in your head	Tomorrow could be too late
If you could come away with me	I wish I could change that date
You should come away with me	Tomorrow could be too late
You (1) have (2) faith in me	If only you had some faith
Tomorrow (3) be too late	Too young
I wish I could (4) that date	Too proud
Tomorrow could be too late	Too foolish
If only you had some faith	Too young
Too young	Too proud
Too proud	Too foolish
Too foolish	(Ah)
Too young	Tomorrow could be so great
Too proud	I wish I could change that date
Too foolish	Tomorrow could be so great
You ask a lot of questions	If only you had (9) faith
You have too much (5) on your hands	(Ah)
To hell with conclusions	
Why should we make so many plans?
