

Fill in the gaps

Just My Imagination by The Cranberries

There was a game we used to play	It was		
We (1) hit the (2)	on	There is a game I like to	play
(3) night		I like to hit the town on Friday night	
And stay in bed until Sunday		And stay in bed until Sunday	
We used to be so free		We'll (10)	_ be this free
We were living for the love we had and		We will be living for the love we have	
Living not for reality		Living not for reality	
Just my imagination		It's not my imagination	
Just my imagination	It's not my imagination		
Just my imagination	It's not my imagination		
It was		It was	
Just my imagination	Not my imagination		
Just my imagination	It's not my imagination		
Just my imagination	Not my imagination		
It was		It was	
There was a time I used to pray		Not my (Not My)	
I have always kept my faith in love			
It's the (4) (5)	from the	(Laaaa aaaa)	
man above		My imagination	
The (6) I used to play	My imagination		
I've (7) put my (8)	upon the	My imagination	
table		My imagination	
Let it never be said (9) I'd be unstab	le	My imagination	
Just my imagination		My imagination	
Just my imagination			
Just my imagination			
It was			
Just my imagination			
Just my imagination			
Just my imagination
