Payphone by Maroon 5 & Wiz Khalifa

I'm at a payphone (1)_____ to call home

All of my change, I spent on you

Where have the (2)_____ gone?

Baby, it's all wrong

Where are the plans we made for two?

Yeah, I, I know it's hard to remember

The people we used to be

It's even harder to picture

That you're not here next to me

You say it's too late to make it

But is it too late to try?

And in our time that you wasted

All of our bridges (3)_____ down

I've wasted my nights

You (4)_____ out the lights

Now I'm paralyzed

Still stuck in that time

When we called it love

But even the sun sets in paradise

I'm at a payphone (5)_____ to call home

All of my change, I spent on you

Where (6)_____ the times gone?

Baby, it's all wrong

Where are the plans we made for two?

If happy ever afters did exist

I would still be holding you like this

All those (7)_____ tales are full of shit

One more fucking love song, I'll be sick

(Oh...)

You turned your back on tomorrow

'Cause you (8)_____ yesterday

I gave you my love to borrow

But you just gave it away

You can't (9)_____ me to be fine

I don't expect you to care

I (10)_____ I've (11)_____ it before

But all of our (12)_____ burned down

I've wasted my nights

You turned out the lights

Now I'm paralyzed

Still stuck in that time

When we (13)_____ it love

But even the sun sets in paradise

I'm at a payphone (14)_____ to call home

All of my change, I (15)_____ on you

Where have the (16)_____ gone

Baby, it's all wrong

Where are the (17)_____ we made for two?

If happy ever after did exist

I would still be holding you like this

All (18)_____ fairy tales are full of shit

One more fucking (19)_____ song, I'll be sick

Now I'm at a payphone...

Man, fuck that shit

I'll be out spending all (20)_____ money

While you're sitting 'round wondering

Why it wasn't you who came up from nothing

Made it from the bottom

Now when you see me, I'm stunnin'

And all of my cars (21)_____ with the push of a button

Telling me the chances I blew up

Or whatever you call it

Switch the number to my phone

So you never could call it

Don't need my name on my show

You can (22)_____ it I'm ballin'

Swish, what a shame, could have got picked

Had a really good game but you missed your last shot

So you talk (23)_____ who you see at the top

Or what you could have saw

But sad to say it's over for

Phantom pulled up, valet (24)_____ doors

Wiz like go away, got what you was looking for

Now it's me who they want, so you can go and take

That little piece of shit (25)_____ you

I'm at a payphone trying to (26)_____ home

All of my change, I spent on you

Where (27)_____ the times gone

Baby it's all wrong

Where are the plans we made for two?

If happy ever afters did exist

I would still be holding you like this

All those fairy tales are full of shit

One more fucking love song, I'll be sick

Now I'm at a payphone...
