Payphone (Cover) by Paradise Fears

I'm at a payphone trying to call home All of my change I spent on you

Fill in the gaps

Where have the times gone Baby it's all wrong Where are the plans we made for two? I know it's hard to remember The people we used to be It's even harder to picture That you're not here next to me You say it's too late to make it But is it too (1)_____ to try? And in our time that you wasted All of our bridges burned down I've wasted my nights You turned out the lights Now I'm paralyzed Still stuck in that time When we called it love But even the sun sets in paradise I'm at a payphone trying to call home All of my change I spent on you Where have the times gone Baby it's all wrong Where are the plans we made for two? If happy ever after did exist I would still be holding you like this All those fairytales are full of it One more stupid love song I'll be sick Yeah, yeah You turned your back on tomorrow 'Cause you forgot yesterday I gave you my love to borrow But just gave it away You can't expect me to be fine I don't (2)__ _ you to care I know I've said it before but All of our bridges burned down ____ my nights I've (3)_ You turned out the lights Now I'm paralyzed Still stucked in that time When we called it love But even the sun sets in paradise I'm at a payphone trying to call home

All of my change I spent on you
Where have the times gone
Baby it's all wrong
Where are the plans we made for two?
If happy ever after did exist
I would still be holding you (4) this
All those fairytales are full of it
One more stupid love song I'll be sick
I'm at a payphone
Pick it up, looks like the future is callin'
Rippin' (5) a farm state
We went from bailin' to ballin'
Change my phone number
Because too many labels was callin'
Career on the gas, non-stop
We never be stallin'
Rollin' 10 deep in a passenger van
Non stop til it's paris all the way to Japan
Every song (6) we drop
Becomes the latest trend
And I know we aint no Brittany
But, "Oops, we did it again"
Call your boy Peeta
Take the game with a hunger
Youtube, (7) Blowing up with every cove
Whiter than (8) was in home alone
Too young to have ever even seen a payphone
I'm not sure who the hell still uses one
But if Adam L says it, his will be done
Maroon 5 til I die, so forget my cell
This'll work just as well now
I'm at a payphone (9) to call home
All of my change I spent on you
Where have the times gone
Baby it's all wrong
Where are the plans we made for two?
If happy ever after did exist
I would still be holding you like this
All those fairytales are full of it
One more (10) love song I'll be sick
I'm at a payphone
