I'm at a payphone trying to call home

Payphone (Cover) by Paradise Fears

I'm at a payphone trying to call home	All of my change I spent on you
All of my change I spent on you	Where have the times gone
Where have the times gone	Baby it's all wrong
Baby it's all wrong	Where are the plans we made for two?
Where are the plans we (1) for two?	If happy ever after did exist
I know it's hard to remember	I would still be holding you like this
The people we used to be	All those fairytales are full of it
It's even harder to picture	One more stupid love song I'll be sick
That you're not here next to me	I'm at a payphone
You say it's too late to make it	Pick it up, looks like the future is callin'
But is it too late to try?	Rippin' from a farm state
And in our time that you wasted	We went from bailin' to ballin'
All of our bridges (2) down	Change my phone number
I've wasted my nights	Because too many labels was callin'
You turned out the lights	Career on the gas, non-stop
Now I'm paralyzed	We never be stallin'
Still (3) in that time	Rollin' 10 (7) in a passenger van
When we called it love	Non stop til it's paris all the way to Japan
But even the sun sets in paradise	Every song that we drop
I'm at a payphone trying to call home	Becomes the latest trend
All of my change I spent on you	And I know we aint no Brittany
Where have the times gone	But, "Oops, we did it again"
Baby it's all wrong	Call your boy Peeta
Where are the plans we (4) for two?	Take the game with a hunger
If happy ever after did exist	Youtube, Channel Blowing up with every cover
I would still be holding you like this	Whiter than Macauly was in home alone
All those fairytales are full of it	Too young to have ever even seen a payphone
One more stupid love song I'll be sick	I'm not sure who the hell still uses one
Yeah, yeah	But if Adam L says it, his will be done
You turned your (5) on tomorrow	Maroon 5 til I die, so (8) my cel
'Cause you forgot yesterday	This'll work just as well now
I gave you my love to borrow	I'm at a payphone trying to call home
But just gave it away	All of my change I spent on you
You can't expect me to be fine	Where (9) the times gone
I don't expect you to care	Baby it's all wrong
I know I've said it before but	Where are the plans we made for two?
All of our bridges burned down	If happy ever after did exist
I've wasted my nights	I would still be holding you like this
You turned out the lights	All those fairytales are full of it
Now I'm paralyzed	One more stupid love song I'll be sick
Still (6) in that time	I'm at a payphone
When we called it love	
But even the sun sets in paradise
