## Every time you raise your voice The only way we'll feel better I see the greener grass The only way out is through Every time you run for cover Ultimately I see (1)\_\_\_\_\_ pasture We could just walk away and Every time we're in a funk Hide our heads in the sand I picture a different choice We could just call it quits Only to start all over again Anytime we're in a rut This distant grandeur With somebody else My tendency to want to do away Every time we're stuck in struggle Feels (2)\_\_ I'm down for the count (6)\_ My (3)\_\_\_\_\_ to dream of softer places Every time I dream of quick fix Feels understandable I'm assuaged The only way out is through Now I know it's hard when it's through The faster we're in the better And I'm damned if I don't know quick fix way The only way out is through But formerly mistreat me silence now outdated Ultimately My tendency to want to run feels unnatural now The only way out is through The urgency to want to give to you The only way we'll feel better I don't want most feels good The only way out is through The only way out is through Ultimately The faster we're in the better Every time I'm confused The only way out is through I think there must be easier ways Ultimately Every time our horns are locked The only way out is through I'm towel throwing The (7)\_\_\_\_\_ way we'll feel better Every time we're at a loss The only way out is through We've bolted from difficulty Ultimately The (8)\_\_\_\_ way out is through Anytime we're in stalemate of (4)\_\_\_\_\_ My tendency to (5)\_\_\_\_\_ to hide away The (9)\_\_\_\_\_ we're in the better Feels easier and The only way out is through The immediacy is picturing another place Ultimately Comforting to go The only way out is through The only way out is through The only way we'll get better
