

We all had a thing or two to learn

Fill in the gaps

Forgiven (Acoustic) by Alanis Morissette

You (1) how us Catholic (2) can be	We all needed (5) to cling to
We make up for so (3) time a little too late	So we did
I never forgot it, confusing as it was	What I learned I rejected but I believe again
No fun with no guilt feelings	I (6) suffer the (7) of
The sinners, the saviors, the loverless priests	this inquisition
I'll see you next Sunday	If I jump in (8) fountain
We all had our reasons to be there	Will I be forgiven
We all had a thing or two to learn	We all had our (9) to be there
We all needed something to cling to	We all had a thing or two to learn
So we did	We all (10) something to cling to
I sang Alleluia in the choir	So we did
Alleluia, alleluia	We all had delusions in our head
I confessed my darkest deeds to an envious man	We all had our minds made up for us
My brothers	We had to believe in something
They never went blind for what they did but	So we did
I may as well have	
In the (4) of the Father	So we did
The Skeptic and the Son	
I had one more stupid question	So we did
We all had our reasons to be there
