

And if I was a child

Fill in the gaps

So I'm back to the velvet underground	And the child was enough
Back to the floor	Enough for me to love
That I love	Enough to love
To a room with some lace and (1) flowers	She is (5) (6) from you now
I'm back to the gypsy	She was just a wish
That I was	She was (7) a wish
To the gypsy	And a memory is all that is left for you now
That I was	You see your
And it all (2) down to you	Gypsy
Well you know that it does well	Yeah
Lightning strikes	You see your gypsy
Maybe once, maybe twice	(Ah, nah, nah)
And it lights up the night	(Nah, nah, nah)
And you see your	Lightning strikes
Gypsy	Maybe once, maybe twice
Yeah	(Ah, nah, nah)
You see your gypsy	And it all (8) down to you
To the gypsy	Lightning strikes
That remains	Maybe once, maybe twice
Faces freedom	I still see your bright eyes
With a little fear	I still see (9) bright eyes
I (3) no fear	Your bright eyes
I (4) only love
