

Stay, stay

Fill in the gaps

My (1) life waiting for the right time	'Cause all my life I felt this way
And to tell you how I feel	But I could never find the words to say
I know I try to tell you that I need you	Stay, stay
And here I am without you	So you change your mind
I feel so lost but what can I do?	And say you're mine
'Cause I know this (2) seems real	Don't leave tonight
But I don't know how to feel	Stay
We say goodbye in the pouring rain	Say (10) in the pouring rain
And I (3) down as you walk away	And I break down as you walk away
Stay, stay	Stay, stay
'Cause all my life, I (4) (5) way	'Cause all my life I felt this way
But I could (6) (7) the	But I could never find the words to say
(8) to say	Stay, stay
Stay, stay	Stay with me
Alright, everything is alright	Stay with me
Since you came along	Stay with me
And before you	Stay with me
I had nowhere to run to	Stay
And (9) to hold on to	Stay
I came so close to giving it up	Stay
And I wonder if you know	Stay with me
How it feels to let you go?	
You say goodbye in the pouring rain	
And I break down as you walk away
