Somebody That I Used To Know by Gotye & Kimbra

Now and then I think of when we were together		But I don't wanna live that way	
Like when you said you felt so happy you could die		Reading into (9)	word you say
Told myself that you were (1)	for me	You said that you could let it go	
But felt so lonely in your company		And I wouldn't catch you hung up	
But that was love and it's an ache I still remember		On somebody that you used to know	
You can get addicted to a certain kind of sadness		But you didn't have to cut me off	
Like resignation to the end, always the end		Make out like it never happened	
So when we found that we could not make sense		And that we were nothing	
Well, you said that we would still be friends		And I don't even need your love	
But I'll admit that I was (2) that	it was over	But you treat me like a strange	er
But you didn't have to cut me off		And that feels so rough	
Make out like it never happened		You didn't have to (10)	so low
And that we were nothing		Have your friends collect your records	
And I don't even need your love		And then change your number	
But you treat me like a stranger		I guess that I don't need that though	
And that (3) so rough		Now you're just somebody that I used to know	
You didn't have to stoop so low		Somebody, I used to know	
Have your friends collect your records		Somebody, now you're just somebody that I used to kno	
And then change (4) number		Somebody, I used to know	
I guess that I don't need that though		Somebody, now you're just somebody that I used to kno	
Now you're just somebody (5)	I (6) to	I used to know	
know		That I used to know	
Now you're just (7) th	at I used to know	I used to know, somebody	
Now you're just somebody (8) I	used to know		
Now and then I think of all the times you screwed me over			
But had me believing it was always something that I'd done
