

Fill in the gaps

It's been a long time since I came around	Something, something about my (9) Nebraska guy
Been a long time but I'm back in town	Yeah, something about baby you and I
And this time I'm not leaving without you	You and I, you, you and I
You taste like whiskey when you kiss me awe	You, you and I, you, you and I
I'd give anything again to be your babydoll	You and I, you you and I
This time I'm not leaving without you	Oh yeah! I'd rather die, without you and I
He said, sit back down where you belong	(C'mon)
In the corner of my bar with your high heels on	Put your drinks up
Sit back down on the couch were we	We gotta (10) lotta money but we still pay rent
Made love the first time	'Cause you can't buy a house in heaven
And you said to me	There's only three men that ima serve
There's (something)	My whole life
Something, something (1) place	It's my daddy and Nebraska and Jesus Christ
(something)	There's (something)
Something about lonely nights	Something, something about the chase
And my lipstick on (3) face (something)	Six whole years (something)
Something, something about my cool Nebraska guy	I'm a New York woman born to run you down
Yeah, something about baby you and I	So have my lipstick all over your face
It's been two years since I let you go	(Something)
I couldn't (4) to a joke or rock 'n' roll	Something about just knowing when it's right
And muscle (5) drove a truck right through my	So put your drinks up for Nebraska
heart	For Nebraska, Nebraska I love you
On my birthday you sang me "Heart of Gold"	You and I, you, you and I
With a (6) humming and no clothes	Baby I'd rather die
This time I'm not (7) without you (oh oh oh)	Without you and I
Sit (8) down where you belong	You and I, you, you and I
In the corner of my bar with your high heels on	Nebraska I'd rather die, without you and I
Sit back down on the couch where we	It's been a long time since I came around
Made love the first time	Been a long time but I'm back in town
And you said to me	And this time I'm not leaving without you
There's (something)	
Something, something about this place (something)	
Something about lonely nights	
And my lipstick on your face
