

If the words don't come my way

## What My Heart Wants To Say by Gareth Gates

You're amazing	I hope you still know (4) my heart (5)
So amazing	to say
Have I told you	But if I'll be gone tomorrow
Enough	Would you know how deep my love goes
You're my angel	If I was gone forever
The guardian angel	Would you know how much I care
God knows I've been blessed with love	And you make me feel (6) flying
But if I'll be (1) tomorrow	And feeling all emotion
Would you know how deep my love goes	That everytime you look at me
Have I ever told you	You see it in my eyes
You're the one	If the words don't come my way
If the words don't come my way	I hope you still know (I hope it still shows)
Hope it's still love	If the words don't come my way
Hope it (2) shows	I hope you still know
If the words don't come my way	I (7) it still shows
Hope you still know what my heart wants to say	If the words don't come my way
The love's so tender	I hope you still know
I surrender	What my heart (8) to say
To this feeling	If the words don't come my way
So true	I hope you still know
My affirmation	Hope it still shows
My inspiration	If the words don't come my way
Darling I have (3) blessed with you	I hope you still know
If the words don't come my way	I hope it still shows
I hope you still know	I hope you still know
I hope it still shows	What my heart wants to say
