

## Fill in the gaps

Nothing's impossible
Nothing's unreachable
When I am weary
You (1) me stronger
This love is beautiful
So unforgettable
I (2) no winter cold
When we're together
When we're together
Will you stand by me?
Hold on and never let me go
Will you stand by me?
With you I (3) I belong
With you I (3) I belong When the (4) gets told
When the (4) gets told
When the (4) gets told When day turns into night
When the (4) gets told When day turns into night I (5) into your eyes
When the (4) gets told When day turns into night I (5) into your eyes I see my future now
When the (4) gets told When day turns into night I (5) into your eyes I see my future now All the world and its wonder
When the (4) gets told When day turns into night I (5) into your eyes I see my future now All the world and its wonder This love won't fade away
When the (4) gets told When day turns into night I (5) into your eyes I see my future now All the world and its wonder This love won't fade away And through the hardest days
When the (4) gets told When day turns into night I (5) into your eyes I see my future now All the world and its wonder This love won't fade away And through the hardest days I'll never question us
