

## Fill in the gaps

I've known faces that have disappeared in time	Take (7) away
Find me wrapped in glass and slowly (1) in	Take (8) away
lime	I can feel it on my mouth
All my friends have (2) (3)	I can taste you on my fingers
to make you cry	I can hear you like the Holy Ghost
I've seen this and wondered what I've done to	And kill you if you get too close
Calcify (I (4) you)	As I close my eyes, I feel it all slipping away
As I close my eyes, I feel it all slipping away	(I come towards you)
(I come towards you)	We all got left behind, we let it all slip away
We all got left behind, we let it all slip away	(I ignore you)
(I ignore you)	As I close my eyes, I (9) it all slipping away
As I close my eyes, I feel it all slipping away	(I come towards you)
(I come towards you)	We all got left behind
We all got left behind, we let it all slip away	We let it all slip away!
I can't stand to see your thalidomide robot face	We let it all slip away!
I don't even try it! You had to be a liar	We let it all (10) away!
Just to infiltrate me, I'm still drowning	We let it all slip away!
(I ignore you)	We let it all slip away!
As I close my eyes, I feel it all slipping away	We let it all slip away!
(I come towards you)	We let it all slip away!
We all got left behind, we let it all slip away	
(I ignore you)	
As I (5) my eyes, I feel it all slipping away	
(I come towards you)	
We all got (6) behind we let it all slip away
