

Fill in the gaps

I've known faces that (1) disappeared in time	Take this away
Find me (2) in glass and (3)	Take this away
soaked in lime	I can feel it on my mouth
All my friends (4) pictures meant to make you cry	I can taste you on my fingers
I've (5) this and wondered (6) I've done	I can hear you (15) the Holy Ghost
to	And (16) you if you get too close
Calcify (I ignore you)	As I close my eyes, I feel it all slipping away
As I close my eyes, I feel it all slipping away	(I come towards you)
(I come towards you)	We all got (17) behind, we let it all slip away
We all got left behind, we let it all slip away	(I (18) you)
(I ignore you)	As I (19) my eyes, I (20) it all
As I close my eyes, I feel it all slipping away	(21) away
(I come towards you)	(I come (22) you)
We all got left behind, we let it all (7) away	We all got left behind
I can't (8) to see (9) thalidomide	We let it all slip away!
(10) face	We let it all slip away!
I don't even try it! You had to be a liar	We let it all slip away!
Just to infiltrate me, I'm (11) drowning	We let it all (23) away!
(I ignore you)	We let it all (24) away!
As I close my eyes, I feel it all slipping away	We let it all slip away!
(I (12) you)	We let it all slip away!
We all got left behind, we let it all slip away	
(I ignore you)	
As I close my eyes, I feel it all slipping away	
(I come (14) you)	
We all got left behind, we let it all slip away
