

# Fill in the gaps

I've known faces that have disappeared in time	Take this away
Find me wrapped in glass and slowly soaked in lime	Take this away
All my friends (1) pictures meant to (2)	I can feel it on my mouth
you cry	I can (15) you on my fingers
I've seen (3) and wondered what I've done to	I can (16) you like the Holy Ghost
Calcify (I ignore you)	And (17) you if you get too close
As I close my eyes, I (4) it all slipping away	As I (18) my eyes, I feel it all slipping away
(I come towards you)	(I come towards you)
We all got left behind, we let it all slip away	We all got left behind, we let it all slip away
(I (5) you)	(I ignore you)
As I close my eyes, I feel it all slipping away	As I close my eyes, I (19) it all slipping away
(I come towards you)	(I come towards you)
We all got (6) behind, we let it all slip away	We all got left behind
I can't (7) to see your thalidomide robot face	We let it all slip away!
I don't (8) try it! You had to be a liar	We let it all slip away!
Just to infiltrate me, I'm still drowning	We let it all (20) away!
(I ignore you)	We let it all slip away!
As I close my eyes, I feel it all slipping away	We let it all slip away!
(I (9) you)	We let it all slip away!
We all got (11) behind, we let it all slip away	We let it all slip away!
(I ignore you)	
As I close my eyes, I feel it all (12) away	
(I come towards you)	
We all got (13) behind, we let it all (14)	
away
