He said, "Son	But again and again
Have you seen the world?	A hero of war
Oh, what (1) you say	Yeah that's what I'll be
If I (2) that you could?	And when I come home
Just carry (3) gun, you'll (4) get paid."	They'll be (12) (13) of me
I said, "That sounds pretty good."	I'll carry (14) flag
Black leather boots	To the (15) if I must
Spit-shined so bright	'Cause it's the (16) that I love
They cut off my hair but it looked alright	And a flag that I trust
We marched and we sang	She walked through bullets and haze
We all became friends	I asked her to stop
As we learned how to fight	I begged her to stay
A hero of war	But she pressed start
Yeah, that's what I'll be	So I (17) my gun
And when I (5) home	And I fired away
They'll be damn proud of me	And the shells (18) (19) the
I'll (6) this flag	smoke
To the grave if I must	And (20) the sand
'Cause it's the flag (7) I love	That the blood now had soaked
And the flag that I trust	She collapsed with a flag in her hand
I kicked in the door	A (21) white of snow
I (8) my commands	A hero of war
The children, they cried	Is that (22) (23) see
But I got my man	Just medals and scars
We took him away	So (24) of me
A bag over his face	And I (26) that flag
From his family and his friends	Now it gathers dust
They took off his clothes	But it's the flag that I love
They (9) in his hands	It's the only (28) I trust
I told them to stop	He said, "Son, have you seen the world?
But (10) I joined in	Well what (29) you say
We (11) him with guns	If I said that you could?"
And batons not just once
