There might be something real between us two

### Fill in the gaps

#### Stuck In The Moment by Justin Bieber

Nith you, with you	Who knew?
wish we had another time	And we don't wanna fall
wish we had another place	But we're tripping in our hearts
Now Romeo and Juliet	And it's reckless and clumsy
Bet they could never felt the way we felt	And I know you can't love me here
Bonnie and Clyde never had the highlight	I wish we had another time
We do, we do	I wish we had another place
You and I, both know it can't work	But (5) we have is stuck in the
t's all fun and games 'til (1) gets hurt	moment
And I don't, I won't let that be you	And there's nothing my heart can do
Now you don't wanna let go	To fight with time and space
And I don't wanna let you know	'Cause I'm still stuck in the moment with you
There (2) be something real between us two	See like just because this cold, cold world saying we can't be
Who knew?	Baby, we (6) have the right to decide we
Now we don't wanna fall	And I ain't with it
But we're (3) in our hearts	And I don't wanna be so old and gray
And it's reckless and clumsy	Reminiscing 'bout these better days
Cause I know you can't love me here	But convention's (7) us to let go
wish we had another time	So we'll never know
wish we had another place	I wish we had another time
But everything we (4) is stuck in the moment	I wish we had another place
And there's nothing my heart can do	'Cause everything we did
To fight with time and space	And everything we (8) is (9) in the
Cause I'm still stuck in the moment with you	moment
See like Adam and Eve, tragedy was a destiny	Yeah
Like Sonny and Cher, I don't care, I got you, baby	I wish we had another time
See we both fighting every inch of our fiber	I wish we had another place, oh, no, no
Cause in a way it's gonna end right	But everything we have is stuck in the moment
But we are both too foolish to stop	And there's nothing my heart can do
Now you don't wanna let go	To fight with time and space
And I don't wanna let vou know	I'm still stuck in the moment with you
