

Fill in the gaps

On the hands of time won't stop for me	(La Ialala la la la)
And I've asked a thousand (1) times	(La lalala la la la)
And my mouth won't do	The (5) of time won't run for me
What my (2) is ordering	And (6) (7) a thousar
Well you said that I'm	(8) times
That (3) still quite young	And my mind won't do
Then why am I feeling old?	What my mouth is ordering
And the days are passing by with hurry inside	Well you said that I'm
(La lalala la la la)	That I'm now too old
(La lalala la la la)	Then why am I feeling young?
And the god of all in who I don't believe	And the days (9) ever, ever, ever pass
Cos they're telling me that he can hear me	(La (10) la la la)
Well I (4) see any change in my routine	(La lalala la la la)
And the memories taking place in me	
Feeling like a guitar string	
When it sounds so, so, so out of tune
