|--|-------------------|--|
| But they can never take away your truth        |                   | That's my prerogative                          |
| But the (1) is                                 |                   | That's my prerogative                          |

| I really don't know the deal about my sister   |                   | (It's my prerogative)                          |
| Trying hard to make it right                   |                   | You can't tell me what to do!                  |
