Fill in the gaps

Set Fire To The Rain (Live) by Adele

riet it fall, my neart	watched it pour as I touched your face
And as it fell, you rose to claim it	Well, it burned while I cried
It was dark and I was over	'Cause I heard it screaming out your name
Until you kissed my lips and you saved me	Your name
My (1) they were strong	I set fire to the rain
But my knees were far too weak	And I threw us into the flames
To stand in your arms	Well, it (8) something died
Without falling to your feet	Cause I knew that that was the last time
But there's a side, to you	The last time
That I never knew, never knew	Sometimes I wake up by the door
All the (2) you'd say	That heart you caught must be waiting for ya
They were never true, (3) true	Even now when we're already over
And the games you'd play	I can't help myself from (9) for ya
You would always win, always win	I set fire to the rain
But I set fire to the rain	Watched it pour as I touched your face
Watched it pour as I (4) your	face Well, it burned while I cried
Well, it (5) while I cried	'Cause I heard it screaming out (10) name
'Cause I heard it screaming out your name	Your name
Your name	I set fire to the rain
When I lay, with you	And I threw us into the flames
I could stay there, close my eyes	Well, it felt something died
Feel you here forever	'Cause I knew that that was the last time
You and me together, nothing is better!	The last time
Cause there's a side, to you	Oh oh oh oh
That I never knew, never knew	Let it burn
All the (6) you'd say	Oh oh oh oh
They were never true, never true	Let it burn
And the games you'd play	Let it burn
You (7) always win, always win	
But I set fire to the rain
