## Set Fire To The Rain (Live) by Adele

I let it fall, my heart	Watched it pour as I touched your face
And as it fell, you rose to claim it	Well, it burned while I cried
It was (1) and I was over	'Cause I heard it (7) out your name
Until you kissed my (2) and you (3)	_ Your name
me	I set fire to the rain
My hands they were strong	And I threw us into the flames
But my knees were far too weak	Well, it felt something died
To stand in your arms	Cause I knew (8) that was the last time
Without falling to your feet	The (9) time
But there's a side, to you	Sometimes I wake up by the door
That I never knew, never knew	That heart you caught must be waiting for ya
All the things you'd say	Even now when we're already over
They were never true, never true	I can't help myself from looking for ya
And the games you'd play	I set fire to the rain
You would always win, always win	Watched it pour as I touched your face
But I set fire to the rain	Well, it burned while I cried
Watched it pour as I touched your face	'Cause I heard it screaming out your name
Well, it burned (4) I cried	Your name
'Cause I (5) it screaming out your name	I set fire to the rain
Your name	And I threw us into the flames
When I lay, with you	Well, it felt something died
I could stay there, close my eyes	'Cause I knew that that was the last time
Feel you here forever	The last time
You and me together, nothing is better!	Oh oh oh oh
Cause there's a side, to you	Let it burn
That I never knew, never knew	Oh oh oh oh
All the things you'd say	Let it burn
They were never true, never true	Let it burn
And the games you'd play	
You would (6) win, always win
