## Forgotten Children by Tokio Hotel

## Fill in the gaps

Just a normal day	Hope forever died
Streets turn into graves	Lost and so alone
Traces have been removed	Born but never known
The search was disapproved	Left all on their own
So cold the night	Forgotten children
The weak ones lose the fight	We'll (6) (7) a nam
Too (1) of them out there	They carry all the blame
Noone (2) to care	Too young to break the chains
Lost and so alone	Forgotten children
Born but never known	They see, they feel, believe
Left all on their own	Just (8) we do
Forgotten children	The're (9) and crying
We'll (3) hear a name	Wanna live here
They carry all the blame	Like me and you
Too young to (4) the chains	It shouldn't really be that way
Forgotten children	It shouldn't really be that way
They see, they feel, believe	We see, we feel, believe
Just (5) we do	Just like you
They're laughing, and crying	We're (10) and crying
Wanna live here	Wanna live here
Like me and you	We see, we feel, believe
Eyes without light	Just like you
Too tired of good-byes	We're laughing and crying
Never felt embraced	Wanna live here
And frightened of every face	Just like you
