

Fill in the gaps

Some say I'll be better without you	We'll almost fall apart then burn the pieces
But they don't know you (1) I do	To watch them turn to dust
Or at least the sides I thought I knew	But (5) will ever taint us
I can't bare this time	I won't go
It drags on as I lose my mind	I can't do it on my own
Reminded by things I find	If this ain't love, then what is?
Like notes and clothes you left behind	I'm (6) to (7) the risk
Wake me up, wake me up when all is done	I won't go
I won't rise until this battle's won	I can't do it on my own
My dignity's become undone	If this ain't love, then (8) is?
But I won't go	I am willing to take the risk
I can't do it on my own	Will he will he still remember me?
If this ain't love, then what is?	Will he still love me even when he's free?
I'm willing to take the risk	Or will he go back to the place where he
I won't go	Would choose the poison over me?
I can't do it on my own	When we spoke yesterday
If this ain't love, then what is?	He said to hold my breath and sit and wait
I'm willing to take the risk	"I'll be home so soon, I won't be late"
So petrified, I'm so (2) to step into this ride	He won't go
What if I lose my heart and fail declined?	He can't do it on his own
I won't forgive me if I give up trying	If this ain't love, then what is?
I heard his (3) today	He's willing to take the risk
I didn't know a single word he said	So I won't go
Not one (4) to the man I met	He can't do it on his own
Just a vacant broken boy instead	If this ain't love, then what is?
But I won't go	Willing to take the risk
I can't do it on my own	Cause he won't go
If this ain't love, then what is?	He can't do it on his own
I'm willing to take the risk	If this ain't love, then (9) is?
I won't go	We're willing to take the risk
I can't do it on my own	I won't go
If this ain't love, then what is?	I can't do it on my own
I am willing to take the risk	If this ain't love, then what is?
There will be times	I'm willing to take the risk
We'll try and give it up
