

Fill in the gaps

Should I?
Could I?
Have (1) the wrong things right
A thousand times
If I could just rewind
I see it in my mind
If I could turn back time
You'd still be mine
You cried
I died
I should have shut my mouth
Things headed south, yeah
As the words slipped off my tongue
They sounded dumb
If this old (2) could talk
It'd say you're the one
I'm wasting time
When I think about it
I should have drove all night
I would have run all the lights
I was misunderstood
I (3) like my words
Did the best I could
Damn
Misunderstood
Could I?
Should I?
Apologize for sleeping on the couch that night
Staying out too late with all of my friends
You found me passed out in the yard again
You cried
I tried
To stretch the truth

But didn't lie
It's not so bad
When you think (4) it
I should have drove all night
I would (5) run all the lights
I was misunderstood
I stumbled like my words
Did the best I could
I hanging outside your door
I've been (6) before
Misunderstood
I stumbled (7) my words
Did the (8) I could
Damn
Misunderstood
Intentions good
It's you and I
Just think about it
I should have drove all night
I would have run all the lights
I was misunderstood
I stumbled like my words
Did the (9) I could
Misunderstood
I (10) outside your door
I've been here before
Misunderstood
I stumbled like my words
Did the best I could
Damn
Misunderstood
