Fill in the gaps

Somethin' Stupid by Robbie Williams & Nicole Kidman

I (1) I stand in line	The (19) is right
Until you (2) you have the time	Your (20) fills my head
To spend an evening with me	The stars get red
And if we go some place to dance	And oh, the night's so blue
I know that there's a chance	And (21) I go and (22) it all
You won't be leaving (3) me	By saying something stupid
And afterwards we drop (4) a quiet	Like: "I love you"
(5) place	The time is right
And (6) a (7) or two	Your (23) (24) my hea
And then I go and (8) it all	The stars get red
By (9) stupid	And oh, the night's so blue
Like: "I love you"	And (25) I go and (26) it all
I can see it in your eyes	By saying something stupid
You still (11) the same old lines	Like: "I love you"
You heard the night before	"I love you"
And though it's just a (12) to you	"I love you"
For me it's true	"I love you"
And never seemed so (13) before	"I love you"
I (14) everyday	"I love you"
To find some clever lines to say	
To make the (15) come true	
But then I (16) I'll wait	
Until the (17) gets late	
And I'm (18) with you
