

## Fill in the gaps

First when there's nothing	What a feeling
But a (1) glowing dream	Bein's believing
That your fear seems to hide	I can have it all now I'm dancing for my life
Deep inside your mind	Take your passion
All (2) I have cried	And make it happen
Silent tears full of pride	Pictures come alive now I'm (6) through my
In a world made of steel	life
Made of stone	What a feeling
Well, I hear the music	What a feeling
Close my eyes, feel the rhythm	Bein's believing
Wrap around, take a hold of my heart	I can have it all now I'm dancing (7)
What a feeling	(8) life
Bein's believing	What a feeling yeah
I can (3) it all now I'm dancing for my life	What a feeling
Take (4) passion	Pictures (9) alive
And (5) it happen	Pictures come alive
Pictures come alive now I'm dancing through my life	What a feeling yeah
Now I hear the music	What a feeling
Close my eyes, feel the rhythm	I can have it all
In a flash it takes hold of my heart	And make, it make it happen
