I don't understand why	What I gotta do now? To get my shorty back	
See it's burning me to hold onto this	Man, I don't know what I'm gonna do without my boo	
I know this is something I gotta do	You've been gone for too long	
But that don't mean I want to	It's been fifty-leven days, um-teen hours	
What I'm (1) to say is that I love you, I just	I'mma be burning till you return	
I feel like this is coming to an end	When your feeling ain't the same	
And it's better for me to let it go now	And (6) body don't want to	
Than hold on and hurt you	But you know, gotta let it go	
I gotta let it burn	Cuz the party ain't jumping like it used to	
It's gonna burn for me to say this	Even though this might bruise you, let it burn	
But it's coming from my heart	Let it burn, you gon' burn, gotta let it burn	
It's been a long time coming	Deep down, you know it's best for yourself but you	
But we done been fell apart	Hate the thought of her being with someone else	
Really wanna work this out	But you know that it's over	
But I don't think you're gonna change	We knew it was through, let it burn	
I do but you don't	Let it burn, let it burn, oh girl, gotta let it burn	
Think it's best we go our separate ways	I'm twisted cuz one side of me	
Tell me why I should stay in (2) relationship	Is telling me that I need to move on	
When I'm hurting baby, I ain't happy baby	On the other side, I wanna break down and cry	
Plus there's so many other things I gotta deal with	I'm twisted cuz one side of me	
I think that you should let it burn	Is telling me (7) I need to move on	
When your feeling ain't the same	On the other side, I wanna break down and cry, yeah	
And your body don't want to	(Usher)	
But you know, gotta let it go	Can you feel me burning?	
Cuz the party ain't jumping like it used to	Can you feel me burning?	
Even though this might bruise you, let it burn	Can you feel me burning?	
Let it burn, gotta let it burn	So many days, so many hours	
Deep down, you know it's best for yourself, but you	I'm still burning (8) you return	
Hate the thought of her being with (3) else	When your feeling ain't the same	
But you know that it's over	And your body don't want to	
We knew it was through, let it burn	But you know, gotta let it go	
Let it burn, let it burn	Cuz the party ain't jumping like it used to	
(Gotta let it burn) Sending pages I ain't supposed to	Even though this might bruise you, let it burn	
Got (4) here but I want you	Let it burn, let it burn, gotta let it burn	
Cuz the feeling ain't the same	Deep down, you know it's best for (9)	but
Found myself (5) her your name	you	
Ladies, tell me do you understand?	Hate the thought of her being with someone else	
Now all my fellas do you feel my pain?	But you know that it's over	
It's the way I feel	Been (10) it was through, let it burn	
I know I made a mistake, now it's too late	Let it burn, let it burn, gotta let it burn	
I know she ain't coming back
