

I think I'm scared

Fill in the gaps

I think I've already lost you	That I know too much
I think you're already gone	I can't relate and that's a problem
I think I'm finally scared now	I'm feeling
And you think I'm weak	If you're gone
I (1) you're wrong	Maybe it's time to come home
I think you're already leaving	There's an awful lot of breathing room
Feels like your hand is on the door	But I can hardly move
I thought this place was an empire	If you're gone
And now I'm relaxed	Baby, you need to come home (come home)
I can't be sure	There's a little bit of something me
And I think you're so mean	In everything in you
I think we should try	I think you're so mean
I think I could need this in my life	I think we should try
And I think I'm scared	I think I could need this in my life
I think too much	And I think I'm scared
I know it's wrong	Do I (6) too much
It's a problem I'm dealing	I know it's wrong
If you're gone	It's a problem I'm dealing
Maybe it's (2) to (3) home	If you're gone
There's an awful lot of breathing room	And maybe it's time to come home
But I can hardly move	But there's an awful lot of (7) room
If you're gone	But I can hardly move
Baby, you need to come home (come home)	And if you're gone, yeah
'Cause there's a little bit of something me	Baby, you need to (8) (9) (come home)
In everything in you	There's a little bit of something me
I bet you're hard to get over	In everything in you
I bet the (4) just won't shine	Something me
I bet my (5) I can stay here	Everything in
I bet you need more than you mind	Something me
And I think you're so mean	In you
I think we should try	
I think I could need this in my life
