There's a place downtown	There's a place downtown
Where the freaks all (1) around	Where the freaks all come around
It's a hole in the wall	It's a hole in the wall
It's a (2) free for all	It's a dirty free for al
When the dark of the night	And they turn me on, when they take it off
Comes around that's the time	When (8) take it off, everybody take it off
That the animal comes alive	There's a (9) I know, if you're looking for a show
Looking for something wild	Where they go hardcore
N-now we're looking like pimps	And there's glitter on the floor
In my gold Trans-Am	And they turn me on, when they take it off
Got a water bottle full of whiskey in my handbag	When they take it off, everybody take it off
Got my drunk text on	(Oh, oh, oh)
I'll regret it in the morning	Everybody take it off
But tonight I don't give a, I don't give a	(Oh, oh, oh)
I don't give a	Everybody take it off
There's a place downtown	Right now, take it off
Where the freaks all (3) around	Right now, take it off
It's a (4) in the wall	Right now, take it off
It's a dirty free for all	(Oh, oh, oh)
And they turn me on, when they take it off	Right now, take it off
When they take it off, everybody take it off	Right now, take it off
There's a place I know, if you're looking for a show	Right now, take it off
Where they go hardcore	Everybody take it off
And there's glitter on the floor	There's a place downtown
And they turn me on, when they take it off	Where the freaks all come around
When they take it off, everybody take it off	It's a hole in the wall
Lose your mind, lose it now	It's a dirty free for all
Lose your (5) in the crowd	And they turn me on, when (10) take it off
We're delirious, tear it down	When they take it off, everybody take it off
'Til the sun comes back around	There's a place I know, if you're looking for a show
Now we're getting so smashed	Where they go hardcore
Knocking over trash cans	And there's glitter on the floor
Everybody breaking (6) it's a filthy hot	And they turn me on, when they take it off
mess	When they take it off, everybody take it off
I'm (7) get payed
