The Angry Birds Rap by Bshap

SUB inglés

We gotta get 'em to stop cos they will overflow
Say goodbye, no hello
Stop your laughin and stop the snatchin'
We don't have eggs so we don't have hatchin'
Get ready for the birds who are so diverse
Let's talk about them in the next verse
And we're launchin'
And were crashin'
Let's hit the pigs 'til they all go pop
We're the best birds
But we're angry
If you take our eggs
We're never gonna stop
Every theme and level
We will get (7) (8) and set you straight
Maybe find a golden
And win until the next update
Black and yellow, red, white and blue
Even green is a color thrown in there too
A little behind?
Well then let's go through all words
And the birds (9) are gonna help you
The red bird, the first one you meet
The first (10) to tweet, and the first defeat
So take your seat, watch the bird compete
Even though it's petite
It is elite
It's a basic bird, who's not goin' unheard
Doesn't (11) a power, ain't that absurd?
But still the red one can be lots of fun

Fill in the gaps

Cos then we get a home run and the (12) Look up in the sky and you will see blue 'Cos after the red this bird had a debut Is my vision blurred? What's that I see? Looks like that bird just became three Yeah that's right, 'cos blue came to fight Bringin' all the class and breakin' all the glass Never runnin' out of gas, don't need a pass Getting' every pig, (13)_____ the last You can call them as bird 1 bird 2 So don't forget it say, "I heard you" The (14)_____ and the baddest birds will now arrive There is no way those pigs will survive And we're launchin' And were crashin' Let's hit the pigs 'til they all go pop We're the best birds But we're angry If you take our eggs we're (15)_____ gonna stop Every theme and level We will get three stars and set you straight Maybe find a golden egg And win until the next update So the next fellow makes pigs get mangled After gettin' hit by the yellow triangle Lightning fast and the speed will increase On 1, 2, 3, release So its up in the air and the time is just right You give a little tap for the speed of light

This chick's angry not polite
