Rolling In The Deep by Adele

(You're gonna wish you, never had met me)

Fill in the gaps

There's a fire (1)	in my heart	And you (17) to the beat	
Reaching a fever pitch it's bringing me out the dark		(Tears are gonna fall, rolling in the deep)	
Finally I can see you crystal clear		We could have had it all	
Go ahead and (2) me	e out and I'll lay your	Rolling in the deep	
(3) bare		You had my heart (18) of your hand	
See how I'll leave with every piece of you		but you played it with a beating	
Don't underestimate the things that I will do		Throw your soul through every open door	
There's a fire starting in my heart		Count your blessings to find what you look for	
Reaching a fever pitch and it's bringing me out the dark		Turned my sorrow into (19) gold	
The scars of your (4) remind me of us		You pay me back in kind and (20)	(21)
They keep me thinking that we almost had it all		what you sow	
The scars of your love they (5) me breathless		(You're gonna wish you, never had met me)	
I can't help feeling		We could (22) had it all	
We could've had it all		(Tears are gonna fall, rolling in the deep)	
(You're gonna wish you, never had met me)		We (23) have had it all, yeah	
Rolling in the Deep		(You're gonna wish you, never had met me)	
(Tears are gonna fall, rolling in the deep)		It all It all It all	
You had my (6) (7) of your hand		(Tears are gonna fall, rolling in the deep)	
(You're (8) wish you, never had met me)		We could have had it all	
And you played it, To the beat		(You're (24) wish you, never had met me)	
(Tears are gonna fall, rolling in the deep)		Rolling in the deep	
Baby I have no (9) to be told		(Tears are (25) fall, rolling in the deep)	
But I've (10) one of you and I'm gonna make		You had my heart inside of your hand	
your head burn		(You're gonna wish you, never had met me)	
Think of me in the depths of your despair		And you played it to the beat	
Making a home down there		(Tears are gonna fall, rolling in the deep)	
as mine sure won't be shared			
The scars of your love remind me of us		We could have had it all	
They keep me thinking that we (11) had it all		(You're (26) wish you never had met me)	
The (12) of your (13)	they leave me	Rolling in the deep	
breathless		(tears are gonna (27) rolling in the deep)	
I can't (14) feeling		You had my heart inside of your hand	
We could (15) had it all		(You're gonna wish you, never had met me)	
(You're gonna wish you, (16)	had met me)	but you played it, you played it	
Rolling in the Deep		you played it, you played it to the beat	
(Tears are gonna fall, rolling in the de	eep)
