

## Fill in the gaps

(20)\_\_\_\_\_

When she was 22	She's (12) how did I get here
The future (1) bright	I'm doing all that I can
But she's nearly 30 now and she's	It's sad but it's true
Out (2) night	How (13) says
I see that look in her face	Her life is already over
She's got that look in her eye	There's (14) to do
She's (3) how did I get here	And there's nothing to say
And wondering why	'Til the man of her dreams (15) along
It's sad but it's true	Picks her up
How society says	And puts her over his shoulder
Her life is already over	It seems so unlikely
There's (4) to do	In (16) day and age
And there's (5) to say	It's sad but it's true
'Til the man of her dreams comes along	How (17) says
Picks her up	Her life is already over
And (6) her over his shoulder	There's nothing to do
It (7) so unlikely	And there's (18) to say
In (8) day and age	'Til the man of her (19) (20)_
She's got an alright job but	along
It's not a career	Picks her up
Whenever she (9) it	And puts her over his shoulder
It brings her to tears	It seems so unlikely
'Cause all she wants is a boyfriend	In this day and age
She (11) one night stands
