

| When she was 22                        |
|--|
| The (1) looked bright                  |
| But she's (2) 30 now and she's         |
| Out (3) night                          |
| I see (4) look in her face             |
| She's got that (5) in her eye          |
| She's thinking how did I get here      |
| And wondering why                      |
| It's sad but it's true                 |
| How society says                       |
| Her life is (6) over                   |
| There's nothing to do                  |
| And there's nothing to say             |
| 'Til the man of her dreams comes along |
| Picks her up                           |
| And (7) her (8) his shoulder           |
| It seems so unlikely                   |
| In this day and age                    |
| She's got an alright job but           |
| It's not a career                      |
| Whenever she thinks about it           |
| It (9) her to tears                    |
| 'Cause all she (10) is a boyfriend     |
| She (11) one (12) stands               |

## Fill in the gaps

| She's thinking how did I get here     |
|---------------------------------------|
| I'm (13) all that I can               |
| It's sad but it's true                |
| How society says                      |
| Her (14) is already over              |
| There's nothing to do                 |
| And there's nothing to say            |
| 'Til the man of her (15) comes along  |
| Picks her up                          |
| And (16) her over his shoulder        |
| It (17) so unlikely                   |
| In this day and age                   |
| It's sad but it's true                |
| How society says                      |
| Her (18) is already over              |
| There's nothing to do                 |
| And there's nothing to say            |
| 'Til the man of her dreams (19) along |
| Picks her up                          |
| And puts her over his shoulder        |
| It seems so unlikely                  |
| In this day and age                   |
|                                       |
