

## Fill in the gaps

Sparkling angel, I believe	No remorse cause I still remember
You were my (1) in my time of need	The smile when you tore me apart
Blinded by faith, I couldn't hear	You took my heart
All the whispers, the warnings so clear	Deceived me right from the start
I see the angels	You showed me dreams
I'll lead them to your door	I wished they'd turn into real
There's no escape now	You broke a promise and made me realize
No mercy no more	It was all just a lie
No remorse cause I still remember	Could have (7) forever
The smile when you tore me apart	Now we have reached the end
You took my heart	This world may have failed you
Deceived me right (2) the start	It doesn't give you reason why
You showed me dreams	You could have chosen a different path in life
I wished they'd turn into real	The smile (8) you tore me apart
You (3) a (4) and made me	You took my heart
realize	Deceived me right from the start
It was all just a lie	You showed me dreams
Sparkling angel, I couldn't see	I wished they'd turn into real
Your dark intentions, your (5) for me	You broke a (9) and made me realize
Fallen angel, tell me why?	It was all just a lie
What the reason, the thorn in your eye?	Could have been forever
I see the angels	Now we (10) reached the end
I'll lead them to (6) door	
There's no escape now	
No mercy no more
