

## Fill in the gaps

Sparkling angel, i believe	No remorse cause i still remember	
You were my (1) in my time of need	The smile when you tore me apart	
Blinded by faith, I couldn't hear	You took my heart	
All the whispers, the warnings so clear	Deceived me right from the start	
I see the angels	You showed me dreams	
I'll (2) them to your door	I wished they'd turn into real	
There's no escape now	You broke a promise and made me realize	
No mercy no more	It was all just a lie	
No remorse cause I still remember	Could have been forever	
The (3) you tore me apart	Now we have reached the end	
You (5) my heart	This world may have failed you	
Deceived me (6) from the start	It doesn't give you reason why	
You showed me dreams	You could have chosen a (10)	path in
I (7) they'd turn (8) real	life	
You broke a promise and made me realize	The smile when you tore me apart	
It was all (9) a lie	You took my heart	
Sparkling angel, I couldn't see	Deceived me right from the start	
Your dark intentions, your feelings for me	You showed me dreams	
Fallen angel, tell me why?	I wished they'd turn into real	
What the reason, the thorn in your eye?	You broke a promise and made me realize	
I see the angels	It was all just a lie	
I'll lead them to your door	Could have been forever	
There's no escape now	Now we have reached the end	
No mercy no more
