Stranger by Hilary Duff

Nobody believes me
When I tell them that you're out of your mind
Nobody believes me
When I tell them that you're so much your hide
You treat me like a queen when we go out
Wanna show everyone what our love's about
All wrapped up in me whenever there is a crowd
But (1)_____ no ones around
There's no kindness in your eyes
The way you look at me, it's just not right
I can (2)_____ what's going on this time
There's a (3)_____ in my life
You're not the person that I once knew
Are you scared to let them know it's you?
If they could only see you like I do
Then they (4)_____ see a stranger too
Did I ever do anything that was this cruel to you?
Did I ever make you wonder
Who was standing in the room?
You made yourself look perfect in every way
So when this goes down
I'm the one (5)_____ will be blamed
Your plan is working so you can just walk away
Baby your secret's safe
There's no (6)_____ in your eyes
The way you look at me, it's just not right
I can tell what's going on this time

There's a stranger in my life
You're not the person that I once knew
Are you scared to let them know it's you?
If they could only see you like I do
Then they would see a stranger too
Such a long way back
From this place we arrived
When I think of all the time I've wasted
I could cry
There's no kindness in your eyes
The way you look at me, it's just not right
I can tell what's going on this time
There's a stranger in my life
You're not the (7)_____ that I once knew
Are you scared to let them know it's you?
If they could only see you (8)_____ I do
Then they would see a stranger too
There's no kindness in your eyes
They way you look at me, it's just not right
And I can tell what's going on this time
There's a stranger in my life
You're the person that I once knew
Are you scared to let (9)_____ know it's you?
If they could only see you (10)_____ I do
Then they would see a stranger too
