World, Hold On by Bob Sinclar

World, hold on

Fill in the gaps

Open up your heart, what do you feel	Come one, everybody in the universe
Open up your heart	World, hold on
What do you feel is real, yeah	Wonder you will have to answer
The big bang may be a (1) years away (oh)	To the children of the sky
But I can't (2) of a better time to say	Children of the sky
World, hold on	Don't (7) no for an answer
Instead of messing (3) our future	No no
Open up inside	Right here, (8) love
World, hold on	Everybody join (9) now
One day you will have to answer	One voice, one heart
To the children of the sky	Love and unity, everybody sing
World, (4) on	Yeah! (World hold on)
Come one, (5) in the universe	World, (10) on
World, hold on	Come one, everybody in the universe
Wonder you will have to answer	World, hold on
To the children of the sky	Wonder you will have to answer
(Oh)	To the children of the sky
Children of the sky	World, hold on
Look inside, you'll find a deeper love	Come one, everybody in the universe
The kind (6) only comes from high above	World, hold on
If you'll ever meet your inner child	Wonder you will have to answer
Don't cry, no, no	To the children of the sky
Tell them everything is gonna be alright
