## I've Never Been To Me by Charlene

Hey lady, you lady	And showed em what I'd got
Cursing at your life	I've been undressed by kings
You're a discontented mother	And I've seen some things
And a regimented wife	That a woman ain't supposed to see
've no (1) you dream about	I've been to paradise
The things you never do	But I've never been to me
But I wish someone had (2) talked to me	Hey, you know what paradise is?
Like I want to talk to you	It's a lie
(Ooh) I've been to Georgia and California and	A fantasy recreated by people
Anywhere I could run	And places as we'd like (5) to be
Took the hand of a preacher man	But you know what truth is?
And we made love in the sun	It's that (6) you're holding
But I ran out of places and friendly faces	And it's that man you fought with this morning
Because I had to be free	The same one you're going to (8) love with tonight
've been to paradise	That's true, that's love
But I've never been to me	Sometimes I've been to crying for unborn children
Please lady, please lady	That might have made me complete
Don't just walk away	But I, I took the sweet life and never knew
Coz I have this need to tell you	I'd be bitter from the sweet
Why I'm all (3) today	I spent my life exploring
can see so much of me still living in your eyes	The subtle whoring that (9) too much to be free
Non't you share a part of a weary heart	Hey lady, I've been to paradise
That has lived a million lives	But I've never been to me
(Ooh) I've been to Nice and the Isle of Greece	
While I sipped champagne on a yacht	
moved like Harlow in (4) Carlo
