

Fill in the gaps

I've Never Been To Me by Charlene

Hey lady, you lady	And showed em (14) I'd got
Cursing at your life	I've been undressed by kings
You're a discontented mother	And I've (15) (16) things
And a regimented wife	That a woman ain't supposed to see
I've no doubt you (1) about	I've (17) to paradise
The things you never do	But I've never (18) to me
But I wish (2) had have talked to me	Hey, you (19) what paradise is?
Like I (3) to (4) to you	It's a lie
(Ooh) I've been to Georgia and California and	A fantasy recreated by people
Anywhere I could run	And places as we'd like them to be
Took the hand of a preacher man	But you know what truth is?
And we made love in the sun	It's that (20) baby you're holding
But I ran out of (5) and friendly faces	And it's (21) man you fought with this morning
Because I had to be free	The same one you're going to make love (22)
I've been to paradise	tonight
But I've (6) been to me	That's true, that's love
Please lady, please lady	Sometimes I've been to crying for unborn children
Don't just (7) away	That (23) have (24) me complete
Coz I have (8) (9) to tell you	But I, I took the sweet life and (25) knew
Why I'm all alone today	I'd be bitter from the sweet
I can see so much of me still living in your eyes	I (26) my life exploring
Won't you share a part of a weary heart	The subtle whoring (27) costs too much to be free
That has (10) a (11) lives	Hey lady, I've been to paradise
(Ooh) I've (12) to Nice and the Isle of Greece	But I've never been to me
While I sipped champagne on a yacht	
I moved like Harlow in (13) Carlo
