White Houses by Vanessa Carlton

Love, or something ignites in my veins

Fill in the gaps

Crashed on the floor when I moved in		And I pray it never fades, in
This little bungalow with some (1)	_ new	White Houses
friends		Му
Stay up too late, and I'm too thin		First
We promise each other it's 'till the end		Time
Now we're spinning (2) bottles		Hard to explain
It's the five of us		Rush of blood (oh)
With pretty eyed (3) girls die to trust		And a little bit of pain
I can't resist the day		On a cloudy day
No, I can't resist the day		It's more common (7) you think
Jenny screams out and it's no pose		He's
'Cause when she dances, she goes and goes		Му
Beer through the nose on an inside joke		First
And I'm so excited, I haven't spoken		Mistake
And she's so pretty, and she's so sure		Maybe you were all faster than me
Maybe I'm more clever than a girl like her		We gave each other up so easily
Summer's all in bloom		These silly little wounds will never mend
Summer's ending soon		I feel so far from where I've been
It's alright		So I go
And it's nice not to be so alone		And I will not be back here again
But I hold on to secrets, in		I'm gone as the day is fading, on
White Houses		White Houses
Maybe I'm a little bit over my head		I lie, put my injuries all in the dust
I (4) undone at the (5) he s	aid	In my heart it's the five of us, in
And he's so funny in his bright red shirt		White Houses
We were all in love, and we all got hurt		And you
I sneak into his car's cracked leather seat		Maybe you'll remember me
The smell of gasoline in the summer heat		What I gave is yours to keep, in
Boy, we're going way too fast		White Houses, in
It's all too sweet to last		White Houses, in
It's alright		White Houses
And I put (6) in his hands		
But I hold on to secrets, in		
White Houses
