

Fill in the gaps

Crashed on the floor when I moved in	And I (12) it never fades, in
This little bungalow with (1) strange new friends	White Houses
Stay up too late, and I'm too thin	Му
We promise each other it's 'till the end	First
Now we're spinning empty bottles	Time
It's the (2) of us	Hard to explain
With (3) boys (5)	Rush of blood (oh)
die to trust	And a little bit of pain
I can't resist the day	On a cloudy day
No, I can't resist the day	It's more common than you think
Jenny (6) out and it's no pose	He's
'Cause when she dances, she goes and goes	Му
Beer through the nose on an inside joke	First
And I'm so excited, I haven't spoken	Mistake
And she's so pretty, and she's so sure	Maybe you (13) all faster than me
Maybe I'm more clever (7) a girl like her	We gave each other up so easily
Summer's all in bloom	These silly (14) wounds will never mend
Summer's ending soon	I feel so far from (15) I've been
It's alright	So I go
And it's nice not to be so alone	And I will not be back here again
But I hold on to secrets, in	I'm (16) as the day is fading, on
White Houses	White Houses
Maybe I'm a little bit over my head	I lie, put my injuries all in the dust
I (8) undone at the things he said	In my heart it's the five of us, in
And he's so (9) in his bright red shirt	White Houses
We were all in love, and we all got hurt	And you
I sneak into his car's cracked leather seat	Maybe you'll remember me
The smell of gasoline in the (10) heat	What I gave is yours to keep, in
Boy, we're (11) way too fast	White Houses, in
It's all too sweet to last	White Houses, in
It's alright	White Houses
And I put myself in his hands	
But I hold on to secrets, in	
White Houses	
Love, or something ignites in my veins
