White Houses by Vanessa Carlton

Fill in the gaps

Crashed on the floor when I (1) in	And I pray it never fades, in
This little (2) with some strange new	White Houses
friends	Му
Stay up too late, and I'm too thin	First
We promise each other it's 'till the end	Time
Now we're spinning empty bottles	Hard to explain
It's the (3) of us	Rush of blood (oh)
With pretty eyed boys girls die to trust	And a little bit of pain
I can't resist the day	On a cloudy day
No, I can't resist the day	It's more common than you think
Jenny (4) out and it's no pose	He's
'Cause when she dances, she (5) and goes	Му
Beer through the nose on an inside joke	First
And I'm so excited, I haven't spoken	Mistake
And she's so pretty, and she's so sure	Maybe you were all faster than me
Maybe I'm (6) clever than a girl like her	We gave each other up so easily
Summer's all in bloom	These silly little wounds (8) never mend
Summer's ending soon	I feel so far from where I've been
It's alright	So I go
And it's nice not to be so alone	And I will not be back here again
But I hold on to secrets, in	I'm gone as the day is fading, on
White Houses	White Houses
Maybe I'm a little bit over my head	I lie, put my injuries all in the dust
I come undone at the things he said	In my heart it's the five of us, in
And he's so funny in his bright red shirt	White Houses
We were all in love, and we all got hurt	And you
I sneak into his car's cracked leather seat	Maybe you'll remember me
The smell of gasoline in the summer heat	What I gave is (9) to keep, in
Boy, we're going way too fast	White Houses, in
It's all too sweet to last	White Houses, in
It's alright	White Houses
And I put myself in his hands	
But I hold on to secrets, in	
White Houses	
Love, or something (7) in my veins
